

Examples of lodging results by Mobile Phone using the myScore system (ver 2.0)

In all cases:

- For myScore to lookup your club and team details, you **MUST** use your myScore registered mobile. Do not use any other mobile phone.
- You **MUST** send the SMS to 0408 408 241 in order for it to be processed. Also, note that this phone number is not setup to take voice calls.
- Do not include any extra information as the messages are processed by a computer. Any extra information will generally cause an error.

Suggestion: Print this sheet and keep it with your Manager's folder.

Action	Example
<p>Lodge a result for a match played today. You had a three nil win.</p> <ul style="list-style-type: none"> • Put YOUR teams result first. "3 0" will record a three-nil win. "0 3" will record a three-nil loss. • No need for a date 	
<p>Lodge a result for a match played on a different day. You had a three nil loss on 08/05/2005.</p> <ul style="list-style-type: none"> • Put YOUR teams result first • Date format is full six digits only. • Other examples of valid dates include: 08/05/05 or 08/05/2005 • You may choose to use a hyphen for the score. 	
<p>You are the Manager of two teams and on match day, you want to lodge two results with one SMS message.</p> <ul style="list-style-type: none"> • You must terminate each line with a newline character. This will not be visible in your message but is usually represented as a "↵" on your mobile handset. • You must use the proper myScore team code. • Your service provider will charge you for only one SMS message. 	
<p>You played two matches on the same day.</p> <ul style="list-style-type: none"> • Must include a time using a 24 hour format. • The example assumes that you had a three nil win at 9:00 AM, followed by a two nil loss at 2:00 PM. • You must terminate each line with a newline character. This will not be visible in your message but is usually represented as a "↵" on your mobile handset. • Your service provider will charge you for only one SMS message. 	
<p>You have found out that your match is postponed due to bad weather, religious holiday etc.</p> <ul style="list-style-type: none"> • Use a PW code, indicating that your match is Postponed Waiting to be replayed. • No need to wait until the weekend to lodge your "PW". You can record the postponed match immediately. 	
<p>You have now replayed a postponed match originally scheduled for 08/05/05.</p> <ul style="list-style-type: none"> • Use a PF code, indicating that your postponed match has now been finalised. Be sure to use the original match date. • Record the match result with the new date (08/06/05). • You may have to include a match times and a third result if you played a "normal" match on the same day as the rescheduled match. 	
<p>You have sent the wrong result but the date/time is OK. Just resend the correct score or code. It will overwrite the old result.</p> <ul style="list-style-type: none"> • Be careful: If you resend with a new date/time, myScore will add a new result with the new date/time. • Note the use of WF (Win by Forfeit) code. Also, LF = Lose by Forfeit
